City of Clifton Department of Public Works

INTEROFFICE MEMORANDUM

To: Gary DeMarzo, City Manager

CC: Amisha Jariwala, Purchasing Agent
Edith Mayton, Chief Financial Officer
Michael Lardner, City Engineer

From: Jason Vanwinkle, Director of Public Works

Date: August 26, 2026

Re: Clarification for Resolution 389-26 that was Tabled at the August 18 Council meeting. Authorization to Accept a Proposal from Artheon Engineering for Stormwater Professional Services as required by NJDEP.

Please accept this memo as my request for Council to approve the award of a Professional Services Contract to Artheon Engineering to update the City's Municipal Stormwater Management Plan (MSWMP), Stormwater Pollution Prevention Plan (SPPP) and (SCO) Stormwater Control Ordinance. In addition to the following Artheon will also need to create a Watershed Improvement Plan. Phase 1 will be to create a Watershed Inventory Report.

Per the NJDEP MS4 Municipal Storm Water Management Program requirements, the City of Clifton must update their Stormwater Control Ordinance (SCO), Municipal Stormwater Management Plan (MSWP), and the Stormwater Pollution Prevention Plan (SPPP) to be current with the NJDEP'S latest requirement. This includes the recently adopted NJDEP'S New Jersey Protecting Against Climate Threats (NJPACT) and Resilient Environment and Landscapes (REAL) Rules. These rules were adopted on January 20, 2026. The revised Stormwater Control Ordinance must be adopted and effective by January 29, 2027.

In addition to the above. The City of Clifton along with all other Municipalities in the State of New Jersey must prepare a Watershed Improvement Plan as part of the NJDEP Municipal Stormwater Management Program. There are 3 Phases to this Plan. Phase 1 of this plan is to prepare the Watershed Inventory Report. This report was supposed to be submitted by January 1,

2026. However, we recently received a visit from the NJDEP Compliance and assistance division and Received a Out of Compliance, Non-Referred. Which means we are currently Out of Compliance with the Watershed Improvement Plan but have not been issued a Notice of Violation.

The Public Works Department has solicited and received proposals from (2) two vendors. Artheon Engineering and Neglia Engineering.

The following services are broken down as follows to provide clarity and compare the RFPs from both Artheon and Neglia engineering as to be equally comparative.

Neglia Engineering

- Preparation of the Watershed Inventory Report Phase 1 of the Watershed Improvement Plan for a Lump Sum of \$32,900 for Engineering Services and a not to exceed amount of \$1000.00 for Reimbursable Expenses.
- Preparation and revising the (MSWP), (SCO), (SPPP), (NJPACT) and the (REAL) Rules for a Lump Sum of \$15,285.00 for engineering services and \$350.00 for Reimbursable Expenses.
- Total potential cost. \$49,535.00

Artheon Engineering

- Preparation of the Watershed Inventory Report Phase 1 \$25,000.00
- (SCO) Stormwater Control Ordinance \$3,500.00 (NJPACT) and the (REAL) Rules are part of this Proposal
- (MSWP) Municipal Stormwater Management Plan \$ 6,500.00
- (SPPP) Stormwater Pollution Prevention Plan \$ \$5000,00
- Total Potential Cost \$40,000.00

Funding for these services are Available in the following accounts.

- 02-213-40-706-008 Stormwater Assistance Grant. Balance \$16,100.00

The Following are Sewer and Storm water Systems accounts.

- 07-201-26-291-202 Auto Expenses Sewer Division. Balance \$10,000.00
- 07-201-26-291-225 Computer Equipment and Supplies. Balance \$10,000.00
- 07-201-26-291-242 Other Equipment. Balance \$15,000.00

With this memo, I Kindly ask that Purchasing Agent Amisha Jariwala to prepare the applicable Resolution.

Re: Proposed amendment to §439-13 Parking prohibited at all times on certain streets – Highview Drive

The Traffic Division received a complaint from the City Manager's Office regarding Highview Drive. The complainant stated that they had observed a fire truck having difficulty navigating the loop of Highview Dr, specifically the bends located at the northwest corner, southwest corner and northeast corner.

With this, we reached out to the Engineering Department to have them plot the turning radius of Ladder 2, which is our Fire Department's largest vehicle, with the spec sheet provided (Document A). Mr. Lardner ran the simulation with his computer programs and provided the simulated path of travel (Document B). Mr. Lardner accompanied this email with a phone call where he recommended seeing if the Fire Department would be willing to bring Ladder 2 to the area and perform real world testing.

On Friday August 14th, Ladder 2 and its crew responded to Highview Dr. With vehicles parked on the roadway, Ladder 2 did a number of laps while I observed and took recordings with my body worn camera. Mr. Lardner was also present. It quickly became apparent that parking should be restricted on the inner corner of all three bends in the roadway.

Measurements were taken and the following amendments are recommended by the Traffic Division to **§439-13 Parking prohibited at all times on certain streets:**

Name of Street	Side	Location
Highview Drive	Northwest corner	From a point of the extended intersecting curb lines of the inner northwest corner of Highview Dr extending back 50ft along the property of 119 Highview Dr in both the eastern and southern directions

Name of Street	Side	Location
Highview Drive	Southwest corner	From a point of the extended intersecting curb lines of the inner southwest corner of Highview Dr extending back 20ft along the property of 133 Highview Dr in both the northern and eastern directions

Name of Street	Side	Location
Highview Drive	Northeast corner	From a point of the extended intersecting curb lines of the inner northeast corner of Highview Dr extending back 25ft along the property of 43 Highview Dr in both the western and southern directions

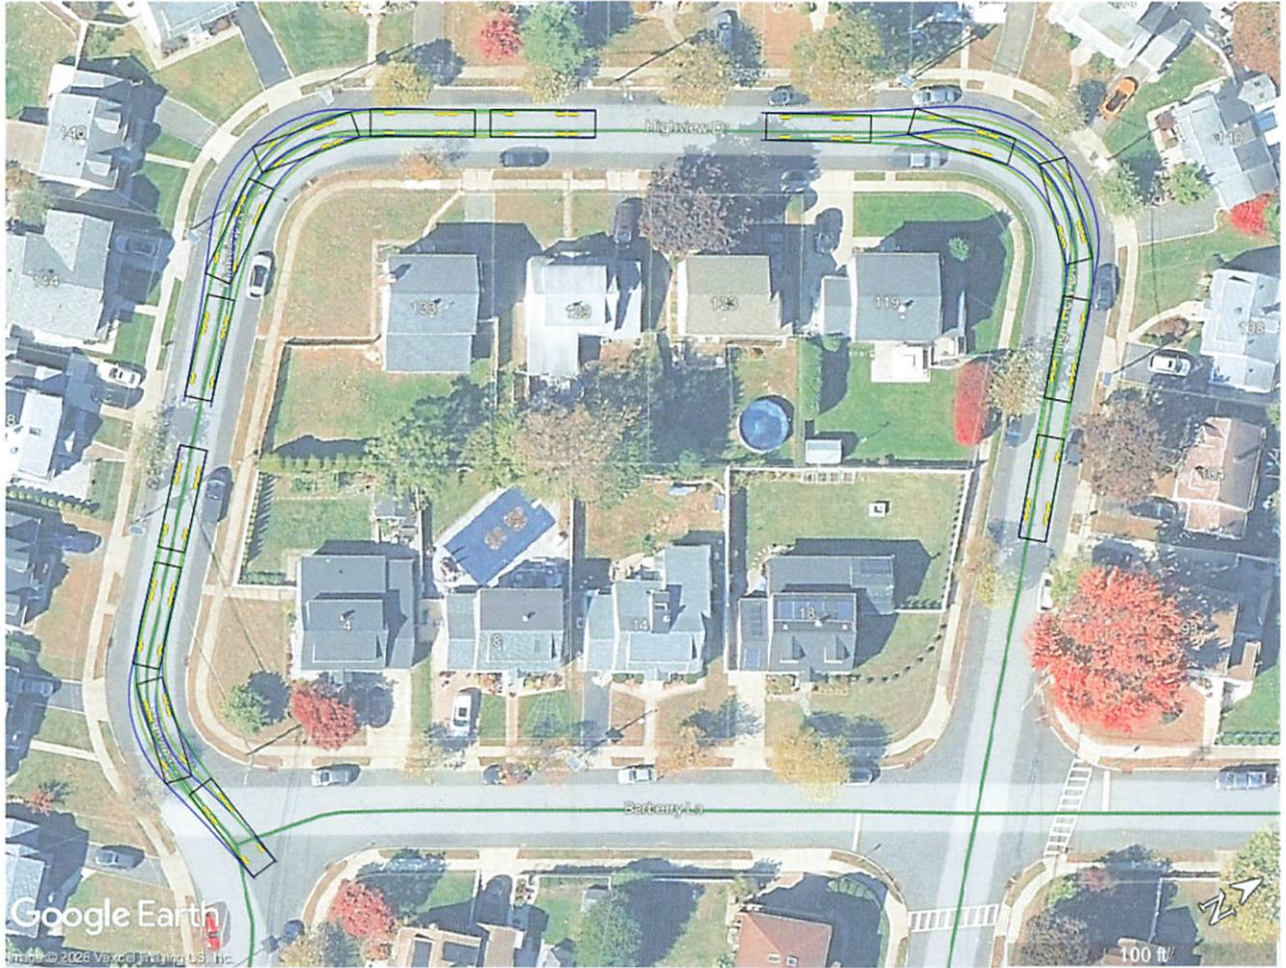

With parking restricted on the inner radii of the three bends in question, any fire department equipment should have the ability to navigate the turns without issue.

Respectfully Submitted;

M. Droubi

Re: Charter Study Commission

Dear Mayor Grabowski and Members of the Municipal Council:

Please be aware that an ordinance appears on the agenda authorizing the City Clerk to place upon the November 2, 2027 General Election Ballot a question asking the voters whether or not they wish to establish a Charter Commission to study and possibly recommend changes to the City's form of government. Voters would also vote to elect five members to serve on the Commission.

Re: Loading Zone Ordinance

The Traffic Division has submitted a proposed ordinance and accompanying application designed to establish a consistent, objective, and evidence-based process for the creation, modification, renewal and removal of municipal loading zones.

The purpose of this proposal is not to restrict legitimate commercial deliveries. Rather, it is intended to provide a fair and transparent method for determining when a loading zone is warranted, how much curb space is reasonably necessary, and what days and hours it should operate.

Public curb space is limited and must serve businesses, residents, customers, pedestrians, emergency services and traffic. For that reason, the proposal bases loading-zone decisions on the actual characteristics of a business's delivery operation rather than simply its business type or requested hours.

The proposed system establishes minimum eligibility criteria and a 100-point scoring framework that considers:

- Delivery frequency;
- Loading duration;
- Delivery-vehicle size;
- Documented traffic and safety considerations;
- Availability of off-street loading; and
- Opportunities for shared use among nearby businesses.

Importantly, the criteria is intended to determine the degree of demonstrated need, while the actual days and hours would be based separately on documented delivery activity. Applicants would provide delivery information, generally supported by a 30-day delivery log and other available records. This would allow the City to identify when loading actually occurs and avoid dedicating public curb space during periods when it is not needed.

The proposal draws upon concepts found in existing municipal practices, including loading-zone regulations in Hoboken, Guttenberg and Franklin Township, as well as relevant New Jersey Department of Transportation guidance. The proposed framework combines those concepts with a quantitative method intended to promote consistency.

The ordinance also provides for periodic review so that loading zones can be reconsidered when business operations, delivery patterns, traffic conditions, or safety concerns change.

Respectfully Submitted;

M. Droubi

Re: Authorization to Advertise for RFPs – CDBG Professional Planner Services

The City's current contract for **CDBG (Community Development Block Grant) Professional Planner Services** is scheduled to expire on **October 31, 2026**.

In order to ensure continuity of professional planning services and allow sufficient time to complete the procurement process prior to the expiration of the current contract, the Purchasing Department is requesting authorization to advertise a **Request for Proposals (RFP)** for CDBG Professional Planner Services for the subsequent contract term.

The proposed RFP will outline the required **scope of services, qualifications, submission requirements, evaluation criteria, and other relevant information** necessary for qualified firms to submit comprehensive proposals.

The procurement will be conducted as a **Fair and Open Process** in accordance with the applicable provisions of the **New Jersey Local Public Contracts Law, N.J.S.A. 40A:11-1 et seq.**, and other applicable laws, regulations, and City policies.

A Resolution has been prepared for Council consideration authorizing the Purchasing Agent to publish a **Notice to Bidders** and to receive public bids for the goods and services described therein.

Subject: **Deflection Training**

I am requesting a resolution be prepared to fund Deflecting Training on 10/14/2026 and 10/15/2026 for Clifton Police, Fire, and Health and Human Services employees. The price of the Deflection Training Academy is \$27,900, which would be funded through the Opioid Settlement funds (Account # 15-286-58-001-001. This total includes a 10% discount in the amount of \$3,100. I personally took this training three years ago and found it to be very useful in situations when dealing with individuals with substance use disorders along with mental health issues. Our Community Police and Code Blue employees use deflection skills they learned from that training on a daily basis to dissolve difficult situations.

The company who offers this training is Cordata Healthcare Innovations, Inc. Attached is the price quote for the two-day training, along with the second attachment that states that no other organization in the country provides this type of dual-certified cross-sector curriculum; therefore, this is a proprietary service.

Period of Performance

August 1, 2026 through November 30, 2026

Services To Be Provided

Cordata Healthcare Innovations, Inc. shall provide to the city of Clifton, New Jersey ("Clifton") the implementation of the following program/service:

Deflection Academy

1. Pre-Mobilization Support and Project Management Support

Cordata SMEs will assist site leaders in registration and logistical planning for the two-day Deflection Academy. Cordata will provide all registration materials (flyers, QR codes, hyperlinks) and track pre-registration progress.

2. 2-Day Deflection Academy Training - Onsite

This training covers nationally recognized deflection pathways, including officer intervention, officer prevention, naloxone plus, Quick Response Team (QRT), proactive engagement, and community responder models. Instruction emphasizes real-world applications and outreach strategies supporting individuals with substance use disorders (SUD), mental health challenges, and related social health concerns.

The curriculum is International Association of Directors of Law Enforcement Standards and Training (IADLEST) and National Association for Alcoholism and Drug Abuse Counselors (NAADAC) certified for continuing education credit. Although New Jersey is not currently among the 14 approved out-of-state POST CEU providers, we will engage with relevant New Jersey authorities to explore CEU options.

Training is peer-reviewed and led by professionals through law enforcement, public safety, public health, community, and treatment. A co-instructor team of nationally recognized experts will facilitate training for up to 30 students. A third instructor may be added (at additional cost) if the class size exceeds 30. Role-playing and scenario-based learning are core components.

3. Travel Costs, Post-Training Activities, and Certifications

Instructor travel, prep time, and virtual planning meetings with site leaders are included. Clifton will secure the training venue (with necessary IT and A/V capabilities, internet access, projector/monitor, etc.). The client is responsible for coffee, lunch, and refreshments. Cordata will provide:

- Online registration link
- Sign-in sheets (for both days)
- Post-training survey
- Certificates of completion and NAADAC CEUs (where applicable)

8150 Corporate Park Drive, Suite 210
Cincinnati, Ohio, 45242

Terms and Conditions of the Offer:

- 1. This quotation shall be valid for 30 days.
- 2. Intellectual property remains the property of Cordata. It shall not be copied, distributed, or utilized for any purpose other than that for which it is intended.
- 3. The city of Clifton, New Jersey, acknowledges its designation as the **First-in-State Adopter** and agrees to collaborate with Cordata in fulfilling this pioneering role through Deflection initiatives. The City further agrees to actively participate in the implementation process, provide feedback to Cordata and other relevant entities or organizations, and adhere to the established fidelity requirements and standards governing the Deflection services.

Firm Fixed Price Cost:

Deflection Academy	\$31,000.00
Discount: First-In-State Situation Table–Deflection Outreach City Adopter 10%	-\$3,100.00

Re: Authorization to Supply Temporary HVAC cooling units to the Clifton Recreation Center.

Please accept this memo as my request for Council to Approve the Rental of temporary cooling units for the Clifton Recreation Center. The City of Clifton has recently been approved by PSEG and the Governing body to Participate in the PSEG Direct Install Program. PSEG will be replacing the HVAC unit at the Clifton Recreation Center in the very near future. While the equipment is on order and Tradesman are preparing the site for the replacement of the HVAC. We need to provide temporary cooling for any events that will be operating during the summer months. The building also needs to be kept at a certain humidity level due to it having hard wood floors which have also been approved for repair under a separate resolution.

The Public Works department contracted United Rentals to provide a solution for temporary cooling. Currently we have spent \$4593.54 and have open invoices for \$13,779.00 However, because this is over the \$17,500.00 City Manager Authorization. I am requesting a not to exceed amount of \$33,000.00 to provide cooling for this location for the rest of the cooling season.

The Equipment will be rented from United rentals Power & HVAC, located at 101 Industrial Ave Little Ferry NJ 07643

United Rentals is currently an approved vendor on state contracts, Contract #19-GNSV2-00853 Contracts end 11/30/2026

Funding is available in Facilities Contractual Services Account 01-201-26-290-503.

Accordingly, I Kindly ask the Purchasing Agent Amisha Jariwala to prepare the applicable Resolution.

Re: Authorization to Supply Temporary HVAC cooling units to the Clifton Post Office.

Please accept this memo as my request for Council to Approve the Rental of temporary cooling units for the Main Avenue Clifton Post office. The City of Clifton owns the Property at 1114 Main Avenue Clifton NJ 07011 and is leased to the United States Post Office. The City of Clifton, as part of the Maintenance Rider, is responsible for the HVAC system to be in good working order.

The City of Clifton has solicited quotes for the Repairs to the current HVAC system and was presented to the Governing body on March 17, 2026, action item A17. However, this Resolution ultimately failed due to the Governing body wanting to take advantage of the Direct install program offered by PSEG. The issue with this option at this time is that the PSEG bills must be in the City of Clifton's Name However, they are in a third-party name for the US Post Office. Although Public Works and City Hall Administration have been working diligently to revise the lease with the United State Post Office. We still needed to provide a temporary solution for proper air conditioning for the employees and the public the utilize the Post office. The Public Works department contracted United Rentals to provide a solution for temporary cooling. Currently we have spent \$6407.75 and have open invoices for \$16,427.25. However, because this is over the \$17,500.00 City Manger Authorization. I am requesting a not to exceed amount of \$45,000.00 to provide cooling for this location for the rest of the cooling season.

Good morning,

I am writing to inform you that the above referenced property was acquired by the State of New Jersey, Department of Environmental Protection on May 8, 2025. Our office record reflects that year 2025 3rd & 4th Qtr., property taxes for this property were not paid by State of New Jersey. As a result, the property is now subject to a tax sale, which is scheduled to be held on 10/15/2026. Please note that quarterly delinquent tax notices were mailed to the mailing address currently on file.

Per Tax Assessor, the property tax exemption became effective January 1, 2026. I attached property delinquent statement for 3rd and 4th qtr., 2025 property taxes good through 8/31/2026.

I would appreciate your prompt attention to this matter.

Good afternoon,

This property was sold in July 2025. The Settlement check for 3rd qtr., 2026 property tax was received on 7/31/25 and processed on tax account. On 8/07/2025 ,Corelogic wired payment in the amount of \$ 2,497.74 for 3rd qtr., 2026 property taxes which made overpayment on the property.

We reached out to the Settlement agent regarding this overpayment but received no response. Please review and advise if this payment refunded to Cotality.

Claimant Name: REDACTED PER DANIEL'S LAW

Property Location: 49 Hamiltont Ave.
Block: 7.04 Lot: 29 Qual: X

Date Application Received:	August 12, 2026
Date of Dept. of VA Letter:	August 3, 2026
Date VA Determined 100% Permanent & Total Disability:	May 4, 2026
Dwelling house is a multi-unit & Disable Veteran occupies:	50%

Based on my review, the above referenced claimant has met the requirements for property tax exemption on the dwelling of a 100% disabled veteran. The claimant has been approved to have their name redacted per Daniel's Law. Effective today, I approved the exemption and changed the property class to exempt classification 15F. Enclosed is the approved application and VA letter dated August 3, 2026.

The claimant occupies 50% of a multi-unit house, therefore the 100% disabled veteran is only entitled to an exemption on 50% of the property. Thus, I have split the existing assessment of \$177,800 x 50% equals a total assessment of \$88,900 Rd. and have assigned it as Block 7.04, Lot 29, Qualifier X. The original Block 7.04, Lot 29 will remain taxable with an assessment of \$88,900 Rd. (\$177,800 – 88,900 exempt)

In reference to any retroactive refund, pursuant to N.J.S.A.54:4-3.32, it states that the governing body of each municipality, at its discretion, may return all taxes collected on property which would have been exempt had proper claim in writing been made at the time of the exemption. However, please note that any potential retroactive refund can only be on the 50% occupancy of the multi-unit house that the disabled veteran lives in or based on a prorated assessment of \$88,900.

Please let me know if you have any questions or require further information.

Re: 100% Disabled Veteran Exemption

Claimant Name: SANCHEZ, ANTHONY

Property Location: 506 Mt. Prospect Ave.
Block: 65.05 Lot: 32.01 (*FKA Block 65.05, Lot 32*)

Date Application Received:	August 4, 2026
Date of Dept. of VA Letter:	April 24, 2026
Effective Date VA Determined 100% Permanent & Total Disability:	August 6, 2024
Date of Ownership:	March 4, 2026

Based on my review, the above referenced claimant has met the requirements for property tax exemption on the dwelling of a 100% disabled veteran. Effective today, I approved the exemption and changed the property class to exempt classification 15F. Enclosed is his approved application and his VA letter.

Mr. Sanchez has met the eligibility requirements as of his date of purchase, therefore pursuant to N.J.S.A.54:4-3.30 et seq. the prorated exemption is permitted for the remainder of the 2026 tax year as of the date of property ownership (March 4, 2026).

Please let me know if you have any questions or require further information.

Good afternoon Kathleen.

I would like to apologize in advance for any inconvenience the situation might have caused but yes we need to postpone. Yesterday I was informed that the Turkish Pop Singer and some distinguished dignitaries had delays in paperwork/Visa to make it here on time for the event. The process seems to be taking longer than usual which has caused our sponsors to kindly request a postponement in the event.

We would like to reschedule for Saturday Oct 3 and Sunday Oct 4 as our rain date. The time request is the same from 2 PM to 9:30 PM. I spoke with Debbie and Bill already and they stated the dates were clear for us to use.

When do you think we would get the approvals again?

Thank you again for your assistance with this matter.

Re: Increasing Police Department Table of Organization

Mr. DeMarzo,

As directed, I'm writing this memo to show my support for increasing the Police Department's Table of Organization.

Our Table of Organization allows for one hundred eighty five (185) officers. We currently employ one hundred eighty two (182) officers, six (6) of whom are still in the Police Academy and will graduate in October. One (1) officer is anticipated to submit his resignation in the short term near future.

We recently certified a Civil Service list and will begin the process to hire the four (4) officers we will be short, for a Police Academy class starting in November.

Through Uniform Crime Reporting, the FBI calculates the national average for police staffing as 2.4 officers per every 1,000 residents. For a city of approximately 92,000 people, that would average a police force of about 220 officers.

The IACP (International Association of Chiefs of Police) recommends a deep statistical analysis to gauge the number of police officers a municipality should field. This formula uses many factors and analytics. Employing a specialized firm for this calculation would be very costly; however, I'm sure the result would confirm we are understaffed.

Given this information and knowing the City is still working through budgetary issues, I recommend a more reasonable approach to this increase. I propose increasing the Table of Organization by ten (10) officers per year over the next four years. With two (2) Police Academy classes offered yearly, an average hiring of five (5) officers per class is a very manageable task.

The Police Department's goals as we expand our growth would include:

- * An increased Patrol Division
- * An increased Traffic Division
- * An increased Community Policing Division
- * The creation of a Street Crimes Unit
- * More School Resource Officers
- * The creation of an Emergency Services Unit

Thank you for your time and any consideration to this proposal.

Respectfully,

Chief Thomas Rinaldi

Dear Clifton City Council Members,

Please accept this email as my formal resignation from the Clifton Zoning Board of Adjustment, effective August 20, 2026. My last meeting will be August 19, 2026.

It has been a great experience to work with the other members of the Board and to help shape the future of Clifton. I am grateful for the experience and relationships I have gained during my time of service.

This decision was not easy, but I am no longer able to give this position the time and attention it deserves.

It has been a privilege and an honor to serve the City and I sincerely thank you for the opportunity. I wish the Board of Adjustment and Clifton much success.

Best regards,

Alessia Eramo, PhD

_____ Unopposed

See attached Statement of Reasons

Matthew T. Priore v. Antonio Latona, et al.
Docket No.: PAS-L-1060-26

Statement of Reasons

Pending before the Court are three Motions to Dismiss the Plaintiff's Complaint filed by Defendants City of Clifton, Mary Sadrakula, and Antonio Latona ("Defendants") on May 20, 2026 and July 2, 2026. Plaintiff Matthew T. Priore ("Plaintiff") filed Opposition on July 22, 2026. Reply Briefs were filed on July 27, 2026. There was a previous motion to dismiss another Defendant, Gary DeMarzo, which the Court granted on August 3, 2026.

After careful consideration, the Court relies upon the following statement of reasons in support of its decision to partially grant Defendants' Motions by dismissing Plaintiff's Complaint without prejudice.

Background

This case arises out of allegations of "whistleblowing activity and resulting continuous retaliatory actions [by Defendants] that created a severely and pervasively hostile work environment, that led up to a Rice Notice seeking the termination of the Plaintiff's employment as Municipal Attorney just three months prior to his eligibility for Early Retirement and retirement health benefits." (Pl.'s Opp. Br., July 22, 2026 at 2). Plaintiff's Complaint alleges that Defendants' purported retaliation violated the New Jersey Conscientious Employee Protection Act, N.J.S.A. 34:19-1, et. seq. ("CEPA") and the New Jersey Civil Rights Act, N.J.S.A. 10:6-1, et. seq., ("NJCRA").

Analysis

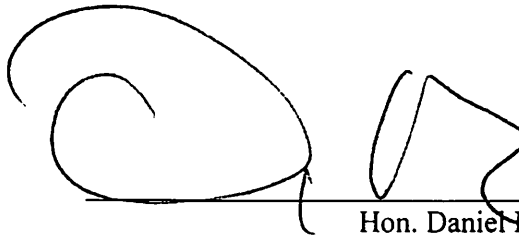

Defendants filed Motions to Dismiss Plaintiff's Complaint that argue that Plaintiff's Complaint fails to state a claim under CEPA and NJCRA. (Def.'s Mvg. Br., May 20, 2026; Def.'s

Mvg. Br., July 2, 2026). For the reasons stated on the record on July 31, 2026, the Court agrees that it is not clear how the alleged adverse employment decision relates to each of the two causes of action (for violations of CEPA and NJRCA). Therefore, the Court finds that Plaintiff's Complaint must be dismissed for failure to state a claim. However, the Court disagrees with Defendants' argument that amendment of the Complaint would be futile. (Def.'s Mvg. Br., July 2, 2026 at 12). The Court finds that in the interest of justice, it must allow Plaintiff leave to amend his Complaint to link the alleged adverse employment action to CEPA and/or NJCRA.

Under New Jersey law, the standard for a court to grant leave to amend a complaint is governed by R. 4:9-1, which provides that motions to amend the pleadings are to be freely granted. There are two requirements for the court to consider when deciding whether to allow a plaintiff to amend a complaint: prejudice to the non-moving party and the futility of the proposed complaint. Notte v. Maerchants Mut. Ins. Group, 185 N.J. 490, 501 (2006). However, in the end, the decision as to whether to allow the amendment is left to the sound discretion of the trial court. Fisher v. Yates, 270 N.J. Super. 458, 467 (App. Div. 1994).

Here, the Court finds that allowing Plaintiff to amend his Complaint does not prejudice Defendants. Furthermore, the Amended Complaint would not be futile so long as Plaintiff properly sets forth how the alleged adverse employment is related to each cause of action, namely CEPA and CRA.

Accordingly, the Court grants Plaintiff leave to file an Amended Complaint within thirty days of this Order.

A handwritten signature in black ink, appearing to read 'Daniel D. Barnes', is written over a horizontal line.

Hon. Daniel D. Barnes, J.S.C.

Good afternoon Mayor Grabowski,

PVWC was named in a lawsuit recently filed by the Environmental Protection Agency (EPA). A few local media outlets learned of the lawsuit and incorrectly suggested it is in response to a current situation at PVWC. I want to assure you: **there is no newly discovered threat to the drinking water. PVWC is and has been in compliance for clean drinking water.**

Here's what you should know:

1. A few local papers have reported that the EPA has filed a lawsuit against PVWC over the reservoirs. In reality, the lawsuit is a procedural filing to update terms and conditions that were first negotiated in 2009, and updated in 2015, 2016, and 2019.

2. The EPA lawsuit, includes language that reflects the original claims made 17 years ago. Those conditions no longer exist. In this case, the EPA, NJDEP and PVWC have all agreed to the updated terms and conditions. The EPA is now publishing them to allow public comment. If, as in previous years, no substantive comments are received, the EPA will ask the judge to resolve this most recent lawsuit by updating the previous terms. There is no Answer required and once the Consent Decree has been approved, the “litigation” will be resolved.

3. Again, there is no newly discovered threat to public drinking water. PVWC has been and remains in compliance for clean drinking water.

4. We are creating a fact sheet with Q&A for distribution to any interested persons. It should be ready Monday.

5. On Monday or Tuesday we will launch an online ad campaign to reach our consumers and correct any misperceptions. The ads will appear on Facebook and Instagram within the owner cities. The ads will link to a webpage that will provide further explanation and details

RE: Public Comment for Council Mail Session — Broadcast & Privacy Issues

Dear Mayor, Members of the City Council, and Municipal Clerk,

Please accept this letter to be entered directly into the official record and officially passed along to our Council governing body for consideration. While watching recent City Council meetings from home, I identified two significant issues with the public broadcast that negatively impact accessibility and resident safety.

1. Obstruction of Closed Captioning:

The permanent "To Participate Via Zoom" informational graphic displayed on screen during the broadcast blocks the closed captioning. This text overlay covers essential subtitles, making the meeting inaccessible for deaf or hard-of-hearing residents, as well as anyone relying on captions to follow municipal proceedings. Adjusting or repositioning this overlay to keep the lower portion of the screen clear for closed captions is necessary for accessibility compliance.

2. Privacy and Security Risks for Zoom Callers:

When residents call in to speak via Zoom, their full phone numbers are displayed publicly on the screen while they state their name and home address for the record. In-person speakers at the podium are only required to state their name and address—not their phone numbers. Broadcasts that link a caller's full name, home address, and personal phone number publicly create a serious risk for spam, harassment, identity theft, and telemarketing scams. I urge the city to mask, blur, or hide caller phone numbers on the public broadcast feed to protect residents' privacy.

Thank you for your prompt attention to these accessibility and privacy concerns. I look forward to seeing these simple technical adjustments implemented.

Sincerely,

Charles P Stauhs

Good morning,

Thanks for forwarding these concerns.

We can move the zoom call-in information to the top of the screen to help keep captions clear.

As for the phone numbers, we have adjusted the settings within zoom to partially block phone numbers using the below zoom setting:

Mask everything except last four digits (Example: *****6666)

Hopefully these actions address the concerns sufficiently.

Thank you,

Dear Mayor and Governing Body:

We see almost nightly on the news how poorly law enforcement personnel are being treated by some members of the public and media. What once was a near-universally respected position in our community has become one that is routinely vilified for political purposes.

I have sponsored AR149 (copy attached) that expresses support for all law enforcement in the State and asked each municipality and county to pass a resolution supporting them as well.

To get a head start on this project, I am sending to you the Assembly Resolution before it gets officially introduced for you to use in preparing a resolution. Once passed, please send a copy of the resolution to Governor Sherrill and to my attention. If you have any questions, please contact my office at Asmsauickie@njleg.org or 609-758-0205.

Sincerely,

AN ASSEMBLY RESOLUTION expressing support for all law enforcement officers and urging each municipality in this State to similarly express its support for law enforcement.

WHEREAS, Law enforcement officers serve the public honorably, working tirelessly and relentlessly to safeguard the communities they are sworn to protect and functioning as the backbone of public safety in this State and across the nation; and

WHEREAS, Law enforcement officers routinely and selflessly risk their own lives and safety to combat crime; remove dangerous and lethal drugs from the streets; and protect all people regardless of religion, race, gender, sexual orientation, age, ability, or socio-economic status; and

WHEREAS, In addition to their day-to-day police work, law enforcement officers have the ever-increasing responsibility of responding to threats of violence, which have expanded from targeting elected officials and political figures to also targeting Chief Executive Officers (CEOs), health care providers, housing administrators, educators, and judges; and

WHEREAS, While upholding the rule of law and maintaining the safety, stability, and public order on which communities depend, law enforcement officers also strengthen communities by providing a quiet and steady presence and taking on responsibilities that extend far beyond traditional law enforcement duties; and

WHEREAS, Law enforcement officers commit countless acts of service that often go unrecognized, such as checking in on elderly residents, mentoring youth, responding to crises, including mental health crises, and conducting community outreach; and

WHEREAS, Nonetheless, many political and community leaders support defunding or dismantling police departments across the nation, which would undermine public safety and place both officers and the communities they serve at greater risk; and

WHEREAS, There has been a disturbing rise in hate-fueled rhetoric from political and community leaders, which has contributed to the increasing number of violent acts against law enforcement officers, elected officials, and members of the public; and

WHEREAS, Sanctuary city policies that restrict cooperation with U.S. Immigration and Customs Enforcement (ICE) actively encourage resentment of local law enforcement and often pit local, state, and federal law enforcement against one another; and

WHEREAS, Politicians across the nation have demonized ICE law enforcement officers, stating their cities were at war with ICE, calling for ICE officers to leave their state or city, and comparing ICE to the Nazi Party and the Union of Soviet Socialist Republic's KGB; and

WHEREAS, Individuals on social media, talk radio, and other media platforms not only publicize this anti-law enforcement rhetoric but often add their own hate-fueled rhetoric that demonizes law enforcement officers; and

WHEREAS, This increasingly inflammatory rhetoric and the resulting violence against law enforcement officers frequently reflects partisan ideology that ignores the critical role law enforcement officers play in their communities; and

WHEREAS, Law enforcement officers deserve the deepest respect, unwavering support, and profound gratitude from all New Jersey citizens and governmental entities in the State; and

WHEREAS, While open public discourse is proper and protected under the First Amendment to the United States Constitution, it is in the public interest of the citizens of the State and this great nation to condemn, in the strongest terms, the increasingly inflammatory rhetoric and actions that incite, encourage, or legitimize violence against law enforcement officers; now, therefore,

BE IT RESOLVED by the General Assembly of the State of New Jersey:

1. This House recognizes and supports the critical, noble, and often perilous work of all law enforcement officers in this State and across the nation.

2. This House urges each municipality in the State to enact a resolution that similarly recognizes and supports the work of all law enforcement officers in this State and across the nation.

3. Copies of this resolution, as filed with the Secretary of State, shall be transmitted by the Clerk of the General Assembly to the Superintendent of the New Jersey State Police, the President and Executive Director of the New Jersey State Association of Chiefs of Police, the President of the New Jersey State Policemen's Benevolent Association (PBA), the President of the New Jersey Fraternal Order of Police (FOP), and the President of the New Jersey State League of Municipalities.

STATEMENT

This Assembly resolution recognizes and expresses support for the critical and noble work of all law enforcement officers in the State and across the nation. The resolution also urges each municipality in the State to pass a resolution expressing the same support.

Law enforcement officers in the State and across the nation have countless responsibilities, which are ever-increasing as threats of violence continue to expand. In addition to upholding the rule of law and maintaining safety, law enforcement officers strengthen communities by providing a quiet and steady presence and taking on responsibilities far beyond traditional law enforcement duties, such as checking on elderly residents, mentoring youth, conducting

community outreach, and responding to crises, including mental health crises.

Nonetheless, many political and community leaders support defunding or dismantling police departments across the nation. There has been a disturbing rise in hate-fueled rhetoric from political and community leaders advocating for violence against law enforcement officers, elected officials, and members of the public, which often reflects partisan ideology that ignores the critical role law enforcement officers play in their communities. Sanctuary city policies particularly encourage the public to resent law enforcement and often pit local, state, and federal law enforcement officers against one another. Media personalities also contribute to and publicize the anti-law enforcement rhetoric that has become too common.

Law enforcement officers at all levels deserve respect, support, and gratitude from the State and the citizens of the State. While open public discourse is proper and protected under the First Amendment of the United States Constitution, it is in the public's interest to condemn the increasingly inflammatory rhetoric and anti-law enforcement actions that incite, encourage, or legitimize violence in any form.

Supports all law enforcement officers and urges each municipality to similarly express support for all law enforcement.

I had a conversation relative to the Insurance Plan Audit with the Councilwoman..

Specifically related to the audit, the employees are upload to the various Health Insurance Carriers, the Carries then calendar the end date.

And example is when the child transitions to an age (DOB) where they are no longer eligible, the programs automatically discontinue the health care benefits.

The City plays no part in the verification process, the documents are taken from the employee at face value unless otherwise identified to give additional review.

Non aligned Non union employees reviews will start in September, the personnel manual will need to be adopted.

An Email was sent providing updates by the General Contractors directly to council members.

Proclamation 2026 September Ovarian Cancer Awareness Month 9-1-26	(Insert Upload Date)	(Insert Type)

CITY OF CLIFTON PROCLAMATION

Recognizing September 2026 as Ovarian Cancer Awareness Month

WHEREAS, ovarian cancer is the fifth leading cause of cancer-related death among women in the United States, and the American Cancer Society estimates that in 2026 approximately 21,010 women will be diagnosed with ovarian cancer and 12,450 will die from the disease nationwide—including an estimated 650 new cases and 340 deaths in New Jersey; and

WHEREAS, a woman's lifetime risk of being diagnosed with ovarian cancer is approximately 1 in 91, and her lifetime risk of dying from the disease is approximately 1 in 143; and

WHEREAS, due to vague, nonspecific symptoms and the absence of a reliable early detection test, the majority of women are diagnosed at Stage III or later, when the cancer has already spread beyond the ovaries; and

WHEREAS, although the five-year survival rate for Stage I ovarian cancer exceeds 90 percent, only 15 percent of cases are diagnosed at this early stage. For those diagnosed in later stages, the five-year survival rate drops below 30 percent; and

WHEREAS, while screening tools such as mammograms and Pap tests exist for breast and cervical cancers, no equivalent screening test exists for ovarian cancer, making awareness of symptoms and risk factors essential for early intervention; and

WHEREAS, increased public education about ovarian cancer can help save lives by promoting earlier diagnosis, supporting access to gynecologic oncology care, and encouraging research funding for better detection and treatment options; and

WHEREAS, during the month of September, the City of Clifton joins survivors, families, healthcare professionals, advocacy organizations, and all those committed to raising awareness, remembering lives lost, and offering hope for a future with better outcomes and ultimately, a cure.

NOW, THEREFORE, the Mayor and Council do hereby proclaim September 2026 as **Ovarian Cancer Awareness Month** in the City of Clifton, County of Passaic, State of New Jersey, and encourage all residents to participate in awareness activities, wear teal in support, and engage in conversations that help save lives and support the thousands of families affected by this devastating disease.

CAUTION: This email originated outside the City of Clifton's email system.

Dear Mayor Grabowski and City Manager DeMarzo,

My name is Rachel Sackett Putman, and I am writing as a survivor of Stage 3 ovarian cancer and as someone who was born and raised in New Jersey. My entire family still lives in this state, and no matter where life has taken me, New Jersey has always been my home. Because of that, I respectfully request your support in recognizing **September as Ovarian Cancer Awareness Month** through an official proclamation.

Ovarian cancer is one of the deadliest cancers impacting women, yet it remains one of the most underfunded and least understood. Over **21,000 women** in the United States will be diagnosed this year, and **12,450** will lose their lives, a staggering 64% mortality rate. More than **75%** of women are diagnosed at advanced stages due to vague symptoms and the lack of a reliable early detection test. The five-year survival rate remains below 50%, and tragically, that number has not significantly improved in decades.

I was diagnosed at age 38 with Stage 3A **low-grade serous ovarian cancer (LGSOC)**, a rare subtype that disproportionately impacts young, pre-menopausal women. This disease has no standard of care, is chronic, and carries an 85% recurrence rate. Like many women with LGSOC, I lost my ability to have biological children, with no time or guidance to preserve fertility. Cancer stole dreams my husband and I had not yet fulfilled, and those losses continue to echo through every day of my survivorship.

This year, my advocacy carries an even heavier weight.

My dear friend **Shannon**'s health is rapidly declining and was recently put into hospice care. My friend **Laura** had just entered hospice care a few weeks ago and we devastatingly lost her only a

few short days later. Last year, I lost my friend and first mentee, **Jordan**, who passed away only one day after her 33rd birthday. And beyond them, there are **countless other women** I have lost, women whose names I carry with me, whose stories fuel my advocacy, and whose absence is felt every single day.

These women are not statistics. They are daughters, wives, sisters, mothers and friends. They are the reason I am asking for your leadership.

And this effort matters because awareness saves lives. Every proclamation encourages earlier recognition of symptoms. Every teal light sparks a conversation. Every social media post reaches someone who may not know what signs to look for. Every action taken by a municipality becomes a lifeline, sometimes the very first one, for a woman who has no idea she is in danger.

Last year, with the support of communities across the country, we secured **over 80 proclamations**. This year, my goal is to reach **100**, because these women deserve better, better awareness, better research, better outcomes and better chances at survival. I respectfully request your support through:

- **Issuing an official proclamation** recognizing September as Ovarian Cancer Awareness Month
- **Illuminating a public building or landmark in teal**
- **Sharing social media messages** promoting early warning signs and resources

Your leadership in New Jersey, my home, would honor the women we have lost, support the women still fighting and help protect families across our state. Thank you for considering this request and for standing with survivors. Together, we can shine a light on this gravely overlooked disease and give hope to the women and families who need it most.

With gratitude,

Rachel Sackett Putman

DISCUSSION ITEMS/NEW BUSINESS

D- 1 Request for Memorials Honoring Former Council Members

The Gaccione family offered a proposal for the site, and a motion was made by Councilman Latona and seconded by Councilman D'Amato to approve the location and name the Warming Center after Murphy, benches after Eagler, and a meditation center/mini amphitheater after Gaccione. Councilman Kolodziej was the only objection.

D- 2 Solid Waste Collection Contract

Council announced a special meeting on September 9th at 6:30pm to discuss the solid waste contract. Councilwoman Sadrakula noted the receipt of 500 signatures on a petition to prevent the reduction of trash pick-up days.

D- 3 Request for a Loading Zone at 241 Crooks Avenue

The legal department stated the request came in from the Police Department and stated that it can also apply to the Lexington Avenue Ordinance that failed to pass this evening. The Police Department is looking for guidance on what the council is looking for so the discussions can continue with the applicants. Mayor Grabowski stated his concern for loading zones for extended periods of time and asked to limit the hours. Councilwoman Sadrakula stated she is not willing to vote for the length of time that is requested. Councilman Latona requested a list of criteria from the Police Department to determine what they need to limit the number of spaces from residents in the neighborhood.

D- 4 Memo from Fire Chief Requesting Changes to the Table of Organization

Councilman Latona stated that the department is always short on the number of employees, and the number of employees should be increased on the Table of Organization. Councilwoman Sadrakula requested a list of the Fire Department overtime listed by rank since January of 2026. Councilman Latona motioned to add 6 members to the Table of Organization, which was seconded by Councilman D'Amato, and was then amended to 7 members, which was seconded by Councilman D'Amato. Councilwoman Pino noted her support for the Fire Chief's recommendation. Councilman Kolodziej requested the motion be amended to include increasing the Table of Organization for the Police Department as well. Councilman Latona stated he would not amend the motion at this time. Councilman Kolodziej motioned to table the discussion, which was seconded by Councilwoman Pino and failed after a roll call vote was requested.

(2-4-0-0) Councilman Kolodziej and Councilwoman Pino voted Aye. Councilman D'Amato, Councilman Latona, Councilwoman Sadrakula, and Mayor Grabowski voted Nay.

Councilman Latona motioned to add 7 employees to the Table of Organization, which was seconded by Councilwoman Sadrakula and passed on roll call vote.

(5-1-0-0) Councilman D'Amato, Councilman Latona, Councilwoman Pino, Councilwoman Sadrakula, and Mayor Grabowski voted Aye. Councilman Kolodziej voted Nay.

Councilwoman Sadrakula requested information from the Police Chief on the number of potential retirements in the next 6 months to determine the Police Department's Table of Organization. Councilman Kolodziej and Councilwoman Pino requested to have the discussion about the Police Department Table of Organization on the next meeting.

D- 5 Letter Requesting to Eliminate Clifton's Concealed Carry Permit Fee

Councilman D’Amato made a motion to remove the fee which was seconded by Councilwoman Pino and failed on roll call vote.

(3-3-0-0) Councilman D’Amato, Councilwoman Pino, and Councilwoman Sadrakula voted Aye. Councilman Kolodziej, Councilman Latona, and Mayor Grabowski voted Nay.

Councilman Latona motioned to make the fee \$50, which was seconded by Councilwoman Pino and failed on roll call vote.

(3-3-0-0) Councilman Latona, Councilwoman Pino, and Mayor Grabowski voted Aye. Councilman D’Amato, Councilman Kolodziej, and Councilwoman Sadrakula voted Nay.

Councilwoman Pino motioned to make the fee \$40, which was seconded by Councilman D’Amato and failed on roll call vote.

(3-3-0-0) Councilman D’Amato, Councilman Latona, and Councilwoman Pino voted Aye. Councilman Kolodziej, Councilwoman Sadrakula, and Mayor Grabowski voted Nay.

There was no further discussion.

D- 6 Explore the Possibility of Having a Charter Study Commission Question on the Ballot (JK)

The Legal Department noted the ordinance will need to be passed 75 days prior to election day to commission a charter study. Councilwoman Pino noted the type of election cycle we have in our city due to our form of government, which has all 7 council positions open every 4 years. Councilwoman Pino asked if the question can be placed on the ballot for the next election, since the upcoming election date is too soon. Councilwoman Pino motioned to put a charter study question on the next agenda for discussion, which was seconded by Councilman D’Amato. There were no objections.

Councilman Kolodziej stated the reason he requested this be placed on the agenda for discussion is there are many parts of the city that are not represented. He stated the council voted 3-4-0-0 the last time a referendum was brought to the table. A motion was made by Councilman Kolodziej and seconded by Councilman D’Amato to put an Ordinance on the next agenda for a referendum for a charter study, which passed on roll call vote.

(5-1-0-0) Councilman D’Amato, Councilman Kolodziej, Councilman Latona, Councilwoman Pino, and Mayor Grabowski voted Aye. Councilwoman Sadrakula voted Nay.

D- 7 Request for PVWC to attend City Council Meetings Regularly (JK)

Councilman Kolodziej motioned to have Passaic Valley Water Commissioners attend each meeting during the public portion and ask water concerns to come up first, which was seconded by Councilwoman Pino and passed on roll call vote.

(4-2-0-0) Councilman D’Amato, Councilman Kolodziej, Councilwoman Pino, and Mayor Grabowski voted Aye. Councilman Latona and Councilwoman Sadrakula voted Nay.

D- 8 Consider Holding a Special Meeting or QOL Town Hall Meeting Once a Month (MS)

Councilwoman Sadrakula stated that one meeting a month or one meeting a quarter will be good to discuss one topic at a time.

Councilman Kolodziej motioned to have special meetings once a month to discuss one topic at a time, which was seconded by Councilwoman Sadrakula and passed on roll call vote. Councilwoman Pino requested quarterly special meetings in collaboration with the Board of Education at different schools in town. Councilman Kolodziej amended his motion to include the request from Councilwoman Pino.

(6-0-0-0) Councilman D’Amato, Councilman Kolodziej, Councilman Latona, Councilwoman Pino, Councilwoman Sadrakula, and Mayor Grabowski voted Aye.

FLOOR TO THE MEMBERS OF THE PUBLIC

Tom Whittles shared that the CASA Overdose Awareness candlelight vigil will be held August 31 at 8:00 P.M. He stated the council does not make it easy for the public to be pleasant at the podium and stated he feels the council wasted everyone's time at the meeting about flag raisings last week.

Larry Waxman asked what DeFeo's tasks are to save the city funds. He asked if the city has KPI included on the bid specs. He asked how much money DeFeo and Triad are making as consultants for the city. He asked if the recycle center is open to commercial and industrial companies.

Maribel Mauricio stated that there is traffic and speeding on Nelson Street, and she fears for the safety of the children in the neighborhood. She requested consideration for a more comprehensive traffic study to determine what safety measures are appropriate to install to reduce the speeding.

Rob Samarati stated that there are social media posts about people poisoning rats in the neighborhood, which is detrimental to all animals, like cats and dogs, in the neighborhood. He stated that a recycling study done by Exxon showed that 9 percent of people recycle, and the city could be saving a lot of money if more people recycled.

Liz Burghoffer stated that the lighting in Richfield needs to be addressed and she asked when the roads will be finished.

Atara Schwartz stated that a majority of the city will have a very difficult time with a once-a-week trash pick-up. She requested the council keep in mind that there are many larger families in the city.

Rosemary Baran shared that the League of Women Voters is hosting and moderating a Board of Education forum on September 10th from 7:00 – 9:00 P.M. She spoke highly of Mr. Gaccione and thanked the council for the dedication.

Iris Reyes stated the solid waste contract is a Quality-of-Life and public health decision. A concern should be increased rodent activity. She stated the city has an obligation to its residents to control costs and find the best value for taxpayers. She requested to know if rodent impact or pest control assessments been conducted.

Henry McCormick stated that tenants near him on Burgess Place are running a business and are parking commercial vehicles on the street. He asked who he should contact to report the activity and what ordinances protect residents.

Nick Veliky, Passaic County Commissioner, stated that \$850K in grant funds was awarded for Weasel Brook Park playground, and since 2001 \$6.57 Million has been awarded in Open Space grant funds for Clifton parks. He stated Passaic County MOVE has been in effect for 1 year and 64,000 rides have been completed. He stated that some paving projects have been completed, and some projects are beginning now. He shared that he will publish the information online to share with the residents and the council.

Gary Perino stated that the Traffic Safety Council would like an update on the Allwood Road project. He stated Colfax Avenue and Mount Prospect Avenue would be appropriate to install a 4-way stop. He requested updates on the Chelsea Park fence, dog parks, parking, and Airbnb's. He stated that the council should serve the common good, and not personal or private interests. He stated that on the corner of Paulison and Washington there is a city-wide garage sale sign still up. He gave his best wishes for the officer who was involved in the traffic incident the other day.

Stacy Escott stated that garbage service is important and the once-a-week service should be reconsidered. She stated that a 96-gallon can will not be sufficient. She stated Clifton residents in her neighborhood recycle more than their fair share.

Rajnikant Rana spoke about raising his family in Clifton and shared that he is an advocate for public service and has continued to be a public leader. He stated he is concerned about the recent tax increase. He requested that residents contact him to discuss their concerns.

Shalom Glas stated that once-a-week pick-up for garbage will not work for the city.

Assad Mujtaba stated his concern about Clifton's trajectory. He stated residents should be polled to see what they're missing in their areas of the City. He stated businesses should be more welcome to come to Clifton, and stated the city needs an Economic Development team. He suggested reorganization to current times to benefit the current residents of the city.

Akiva Landy stated that sidewalks are lacking in his neighborhood, and with a lot of children in the area, he is concerned for their safety and noted the risks of being struck by a vehicle. He asked the council for consideration to install sidewalks on Allwood Place.

Ahmed Abdelbaki stated that minority groups have continuously been called out. He stated a speaker at a previous meeting stated they would take matters into their own hands regarding animal abusers and advised that they should call the police non-emergency line. He stated that Lindsey Graham comments in the past were negative towards Gaza. He stated the council should request a meeting with Congresswoman Pou regarding her support for genocide and occupation.

Ezzie Decker stated he is against once-a-week garbage pickup. He requested from the council the number of signatures he would need on a petition to keep garbage pickup two times a week.

Henry Cholewczynski stated the Rosemawr section of Clifton does not recycle as much as a previous speaker stated. He read out the recycling guide for the record.

Joseph Siano stated he will stand by a statement he made regarding the matter of witnessing animal abuse and taking that into his own hands. He asked the council to contact County Commissioners to raise the issue of animal welfare and safety. He stated that the brown water being addressed is great, and all residents deserve access to clean, safe drinking water. He advised the council to use their last four months of their terms wisely.

Jonathan Leb stated that the once-a-week garbage pick up is a huge concern and the tax increase is concerning due to the lack of services being provided.

Tejal Desai stated that the council did not need to have a special meeting last week. She stated the vote could have been considered political theater. She stated the voters will come out in November to decide who will remain on the council.

Bart Ciervo, via Zoom, stated to everyone that he has a restraining order against him, which is why he is not in attendance. He stated that no grant funding has been distributed to Delawanna. He advised potential residents to avoid Clifton and told the council that they are all crooked.

With no one else wishing to be heard, a Motion was made by Councilwoman Sadrakula, seconded by Councilwoman Pino and no objections were noted, to close the public session.

CITY MANAGER PRIVILEGE/RESPONSE TO RESIDENTS

City Manager, Gary DeMarzo, was absent.

COMMITTEE REPORTS

Councilman Kolodziej stated that the Municipal Alliance met yesterday and discussed traffic control and parking enforcement. A parking enforcement blitz was requested by the School District, and an unused patrol vehicle was requested to be parked on Colfax Avenue to deter illegal activity. Shared enforcement for E-Bikes was discussed as well. He stated the School District will investigate more cost-savings, including new programs they can put in place. He stated there is a new grant program within the Governor's Imprint Project for elementary schools. He stated that Google is introducing AI as a standard on Google Classroom for K through 12. Alternate revenue sources were also discussed, and a suggestion to charge private schools for the proper permits to utilize city parks was made. He stated the city was asked to look at the property across the street from CELA A to determine if it's city property, or an easement, for parking or a sidewalk to improve safety. The next meeting is scheduled for October 13th at 5:30 PM.

Councilwoman Pino requested to know if parking enforcement at any additional schools were discussed, and Councilman Kolodziej stated that the parking enforcement blitz encompasses all the schools.

COUNCIL PRIVILEGE

Councilwoman Sadrakula

Councilwoman Sadrakula motioned to keep the garbage pick-up at twice a week, which was seconded by Councilman Kolodziej and passed on roll call vote.

(6-0-0-0) Councilman D’Amato, Councilman Kolodziej, Councilman Latona, Councilwoman Pino, Councilwoman Sadrakula, and Mayor Grabowski voted Aye.

She stated the commercial vehicles parking on the streets needs to be reviewed as a discussion item for the next agenda. She requested an update on Allwood Road improvements. She requested that the traffic division reviews Nelson Street for the safety concerns brought up by a resident this evening. She requested that administration speak with PSE&G regarding the lighting in Richfield. She asked when Urma Avenue will be paved.

Councilman D’Amato

Councilman D’Amato stated the Indian flag raising is Sunday at 12 PM. He stated the CASA candlelight vigil is one of the best events to attend. He stated he will post a video to Facebook on Thursday.

Councilman Latona

Councilman Latona extended his thoughts and prayers to the officers who are recovering from the Sunday accident on Route 21. He stated on Friday from 9 AM to 4 PM, Surrogate Cassanova will be doing wills at the Senior Center. He stated Friday night is the Family Camp Out. He stated Monday will be the Blood Drive in memory of Councilman Gibson from 10 AM to 4 PM. He stated Monday is the Ukrainian flag raising at 6 PM. He thanked the Police Department for their swift response in locating the lawn equipment stolen from kids on Huron Avenue last week. He thanked Nico Iarelli for raising money at a lemonade stand and making his donation to the Little Free Pantry and St. Peter’s. He requested a rodent report from the Health Department. He requested the administration get the bid out for the handicapped restrooms in the city hall hallway. He asked for an update on the fuel cards, permit parking system, and the sidewalk reimbursement system.

Councilwoman Pino

Councilwoman Pino stated that Clifton Behind the Scenes is Thursday. She shared that the Theater League of Clifton is returning at Mario’s Friday and Sunday this weekend and August 28th and 30th, and stated residents can call for tickets 973-928-7668 or visit the Theater League’s website. She thanked the Theater League for picking her daughter Shiloh as the scholarship recipient.

Councilman Kolodziej

Councilman Kolodziej stated that the meetings now end at 11 PM, and not being able to answer residents’ questions is a negative aspect of that change the council made. He stated that he hopes residents are paying attention in November.

Mayor Grabowski

Mayor Grabowski stated the Fireworks are September 5th. He stated the vote this evening on the garbage contract keeping twice-a-week pickup will alleviate a lot of residents’ concerns for the special meeting on the 9th.

RESOLUTION 388-26

**RESOLUTION OF THE MAYOR AND CITY COUNCIL OF THE CITY OF CLIFTON
IN SUPPORT OF AN APPLICATION TO THE NEW JERSEY DEPARTMENT OF
COMMUNITY AFFAIRS (NJDCA) FOR THE REDESIGNATION OF CENSUS TRACT
1251 AS AN OPPORTUNITY ZONE**

WHEREAS, the Opportunity Zones (OZ) program was enacted as part of the 2017 federal Tax Cuts and Jobs Act and made permanent in 2025, and;

WHEREAS, the OZ program incentivizes long-term capital investments into low-income communities and provides opportunities for private investors to support investments in distressed communities through participation in Qualified Opportunity Funds, and;

WHEREAS, these funds must directly invest in businesses or property located in low-income census tracts designated as OZs, and;

WHEREAS, investors can defer and reduce federal taxes on capital gains reinvested in Qualified Opportunity Funds that invest in designated OZs situated in low-income communities, under rules released by the U.S. Department of the Treasury, and;

WHEREAS, when identifying OZs for the first version of the OZ program, authorized in 2017, the State of New Jersey was guided by a number of Policy Goals that included, in part, improving economic conditions in distressed communities, and supporting emerging opportunities for economic growth and (re)development, and;

WHEREAS, the OZ program was made permanent in 2025, establishing a new Opportunity Zone designation cycle every ten years and thereby now allowing Governor Sherill to designate up to 129 OZs from New Jersey's eligible census tracts, and;

WHEREAS, the City of Clifton currently has two designated OZ Census Tracts – 1251 and a portion of 1246.01 – that are eligible for redesignation in 2026, and;

WHEREAS, due to the reduction of the total number of Census Tracts eligible for inclusion in the Governor's recommendations to the US Treasury, the Opportunity Zone guidelines require consideration of Census Tract(s) with greater potential for redevelopment and development investment opportunities and thus the City is requesting inclusion of Census Tract 1251 for this phase of the Opportunity Zone program, and;

WHEREAS, the State is now seeking recommendations from municipalities and interested stakeholders to help inform the Governor's 2026 OZ designations, and;

WHEREAS, it is the expectation of the Mayor and City Council of the City of Clifton that the redesignation of Census Tract 1251 as an OZ in 2026 will continue to provide impactful economic benefits to this Census Tract and to the broader community;

NOW, THEREFORE BE IT RESOLVED, that the Mayor and City Council of the City of Clifton fully and strongly endorse and support the City's application for redesignation and expansion, as outlined herein, and;

BE IT FURTHER RESOLVED, that the Mayor and City Council of the City of Clifton respectfully request that the NJDCA give full and favorable consideration to the City's application for OZ redesignation and expansion, as outlined herein, and recommend said redesignation and expansion to Governor Mikie Sherrill, and;

BE IT FURTHER RESOLVED, that the Mayor and City Council of the City of Clifton respectfully request that Governor Mikie Sherrill approve the NJDCA's said recommendations for OZ redesignation and expansion, as outlined herein, for the City of Clifton.

Councilman Latona motioned, and Councilwoman Pino seconded approval. There were no objections. Councilwoman Sadrakula Abstained.

RESOLUTION 389-26

This Resolution was tabled.

**CITY OF CLIFTON
SPECIAL MEETING MINUTES
AUGUST 12, 2026**

A Special Meeting of the Municipal Council of the City of Clifton was held in the Courtroom of Clifton City Hall, 900 Clifton Avenue, Clifton, New Jersey on August 12, 2026 at 7:00pm.

7:00 PM CALL TO ORDER/FLAG SALUTE

The meeting was called to order by Mayor Raymond Grabowski presiding, and it was announced that adequate notice of the meeting has been provided by the Special Meeting Notice which was published as a legal advertisement on the Clifton website on July 12, 2026. Further notice of this meeting was given prior to the meeting by posting of said notice on the bulletin board at City Hall which notice stated that formal action may or may not be taken on the matters to come before the Municipal Council.

Upon roll call, the following were noted present:

Councilman D’Amato	(CD)
Councilman Kolodziej	(JK)
Councilman Latona	(AL)
Councilwoman Pino	(RP)
Councilwoman Sadrakula	(MS)
Mayor Grabowski	(RG)

Also present were City Manager, Gary DeMarzo; Attorney, Thomas Egan; and City Clerk, Kathleen Tolosi.

DISCUSSION

The Mayor provided an overview of the City’s process and procedures for flag-raising requests. He explained that the purpose of the discussion was to review the current flag-raising process and consider the possibility of establishing an International Culture Day event.

Councilwoman Sadrakula described the discussion as a “think tank” and expressed her interest in creating an event that would showcase the City’s historical property and celebrate the community’s diverse cultures. She stated that she had always wanted to see an event of this nature take place.

Councilwoman Sadrakula also raised concerns regarding how the City would respond if a hate group or other controversial organization requested to have its flag raised. She emphasized that the City’s legal counsel would need to review the policies and procedures to ensure the City is properly protected and that any process adopted is legally sound.

She further stated that it is important to hear from residents and obtain community input before moving forward. Councilwoman Sadrakula acknowledged that developing such an event and establishing appropriate procedures would take considerable time, coordination, and planning.

FLOOR TO MEMBERS OF THE PUBLIC

A total of 28 members of the public came to the microphone to provide comments regarding the flag-raising process and the possibility of establishing an International Culture Day event. A list of the speakers will be attached to the minutes,

Members of the public spoke about Clifton’s diversity and the many cultures and communities that call the City home. Several speakers expressed that the flag-raising ceremonies serve as a meaningful celebration and recognition of their heritage and culture. Representatives of various cultural and community groups, many of whom have participated in flag-raising ceremonies in Clifton for many years, respectfully asked the Council to continue the tradition of honoring and recognizing their respective cultures.

Several members of the public also expressed interest in establishing an International Culture Day event as an opportunity to celebrate the diversity of Clifton and bring the City’s various cultural communities together.

The comments and suggestions provided by the public will be considered as part of the Council’s ongoing discussion and planning regarding the flag-raising process and the potential establishment of an International Culture Day event.

Motion to close the Public Session was made by Councilwoman Sadrakula; seconded by Councilman D’Amato at 8:47pm.

COUNCIL PRIVLEDGE

Councilwoman Sadrakula thanked everyone for attending and sharing their thoughts with the Council. She expressed her hope that the community leaders attending would assist and work collaboratively in developing ideas and suggestions for a potential International Culture Day event. Councilwoman Sadrakula made a motion to hold an additional Special Meeting each month to address Quality of Life issues. The motion was seconded by Councilman D’Amato. There were no objections.

Councilman D’Amato expressed his support for holding a separate meeting to discuss hot topics and issues. He stated that he is in favor of the International Culture Day event and suggested engaging the ACCR Committee to assist with the planning and execution of the event. He stated he is in favor of a Charter Study for the form of government. Councilman D’Amato requested that the Municipal Attorney provide a definition of “political speech” for discussion at the next Council meeting.

Councilman Latona thanked the members of the public for sharing their opinions and voices. He expressed his support for the proposed International Culture Day event. He also stated that he received an email from the Avenue of the Flags Committee requesting assistance with their flag-raising process. He suggested that each participating group could assist with raising the flags approximately five (5) times per year.

Councilwoman Pino thanked everyone for attending and sharing their thoughts with the Council. She stated that the topic is very meaningful to her. She spoke about witnessing the growth of the flag-raising tradition over the years, while also acknowledging that there have been challenges and resistance from some council members proposing gradual changes to the days of the week and times of the ceremonies, as well as other aspects of the events, including serving food. She mentioned Clifton Behind the Scenes which informs the residents with the City services and is offered one a month in three languages.

Councilman Kolodziej provided a brief history of the City’s flag-raising tradition, noting that it began with UNICO raising the Italian flag prior to a parade, followed by the Polish flag being raised prior to a parade, and later the Hungarian flag. He noted the tradition has continued to grow over the years as more cultural groups have participated.

Councilman Kolodziej made a motion to place a ballot question regarding a Charter Study on the agenda as a discussion item for the next Council meeting. The motion was seconded by Councilwoman Pino. Councilwoman Sadrakula asked the Legal Department to research information before the next meeting on the subject.

Councilman Kolodziej asked for the Solid Waste Bid Specs to be on as Discussion Item at the next agenda. He asked if DeFeo could be in attendance.

Councilman Kolodziej made a motion to hold a Special Meeting regarding Solid Waste Garbage Collection. The motion was seconded by Councilwoman Sadrakula. There were no objections. It was agreed that the Special Meeting would be held on September 9, 2026, at 6:30 p.m.

Councilman Kolodziej made a motion to continue the flag raisings under the same rules and guidelines currently in place. The motion was seconded by Councilwoman Pino. A discussion took place about some of the rules for food, political speech, and advance notice. A roll-call vote was taken, with all six (6) members voting YES. The motion carried unanimously.

Councilman Kolodziej made a motion to have the subject of having the PVWC Commissioners attend each Council meeting on the next agenda as a Discussion Item. There were no objections.

Mayor Grabowski thanked everyone for coming and expressing their concerns.

ADJOURNMENT

Upon motion made by Councilman Latona, seconded by Councilwoman Sadrakula, the meeting was adjourned at 9:29 p.m.

Respectfully Submitted,

Kathleen Tolosi, City Clerk

Raymond Grabowski, Mayor

WHEREAS, the City of Clifton Planning Board adopted the 2026 Master Plan Reexamination on April 23, 2026, which was memorialized by Resolution on June 25, 2026;

WHEREAS, the 2026 Master Plan Reexamination made specific recommendations regarding creating impervious coverage standards that currently do not exist in the ordinance; and

WHEREAS, the purpose of impervious coverage regulations is to mitigate the environmental impacts associated with increased runoff. Impervious surfaces prevent rainwater from infiltrating the ground, leading to higher volumes of surface runoff. This runoff can have adverse impacts on properties, stormwater management systems, contribute to flooding, and cause erosion. Additionally, it can carry pollutants such as oil, chemicals, and debris into nearby water bodies, degrading water quality; and

WHEREAS, the current zoning ordinance does not have a definition of impervious coverage or impervious surfaces; and

BE IT ORDAINED, by the Municipal Council of the City of Clifton that:

1. Chapter 461 of the Code of the City of Clifton, entitled “Zoning”, more particularly Article XI thereof, entitled “Definitions and Word Usage”, Section 461-64 thereof, entitled “Definitions”, is amended, revised, supplemented as follows:

COVERAGE, IMPERVIOUS

That percentage of the lot area covered by all impervious surfaces, excluding any items that are granted exceptions from any applicable City of Clifton regulation.

IMPERVIOUS SURFACE

A surface that has been compacted or covered with a layer of material so that it is highly resistant to infiltration by water. Impervious surfaces include: principal and accessory buildings; structures; asphalt, concrete, paver and stone driveways and parking areas; sidewalks; and decks and patios. Above and below ground swimming pools are not considered impervious surfaces. Fences and retaining walls are not considered impervious surfaces. Exterior heating, ventilation and cooling units for uses in the “R” Districts shall not be considered impervious surfaces.

1. All other provisions of said Chapter 461 are not further amended hereby and remain in full force and effect.
2. All ordinances or parts of ordinances inconsistent herewith are hereby repealed as to such inconsistencies only.

VOTERS WHETHER OR NOT THEY WISH TO ESTABLISH A CHARTER
COMMISSION TO STUDY AND POSSIBLY RECOMMEND CHANGES TO THE
CITY'S FORM OF GOVERNMENT**

BE IT ORDAINED by the Municipal Council of the City of Clifton that:

1. The City of Clifton, County of Passaic, State of New Jersey (the "City") is presently governed by a charter which establishes a Council-Manager form of government pursuant to the Municipal Manager Act of 1923, N.J.S.A. 40:79-1.
2. The Optional Municipal Charter Law of 1950, also known as the Faulkner Act, N.J.S.A. 40:69A-1, *et seq.*, provides a procedure for adoption of optional charter plans.
3. The City's Mayor and Council believe that it is in the best interests of the City's residents to review the current charter of the City through the establishment of a five (5) member Charter Commission, which would be charged with the responsibility and be authorized to hold hearings and public forums, to take evidence and to make recommendations in order to determine whether or not, in comparison with other forms of government in this State, the current city form of government is the most appropriate for the City of Clifton.
4. The following question shall be placed on the November 2, 2027 General Election ballot pursuant to the Optional Municipal Charter Law, N.J.S.A. 40:69A-1, *et seq.*, regarding the creation and election of a Charter Commission for consideration by all of the eligible voters of the City of Clifton:

Shall a charter commission be elected to study the charter of the City of Clifton and to consider a new charter or improvements in the present charter and to make recommendations thereon?
5. The Charter Commission members shall also be elected at the same time as the public question is submitted.
6. The City Clerk shall instruct each voter to vote on the question and regardless of the manner of his or her vote on the question, to vote for five (5) members of a Charter Commission who shall serve if the question is approved.
7. The nomination and election process for the Charter Commission members shall be performed in accordance with N.J.S.A. 40:69A-2 through N.J.S.A. 40:69-A-4.
8. This Ordinance shall take effect upon final passage in accordance with the Optional Municipal Charter Law, N.J.S.A. 40:69A-1, *et seq.*

**CITY OF CLIFTON
ORDINANCE #8124-26**

**AN ORDINANCE TO AMEND, REVISE, AND SUPPLEMENT CHAPTER 439 OF
THE CODE OF THE CITY OF CLIFTON ENTITLED “VEHICLES AND TRAFFIC”
TO CREATE A NEW SECTION ENTITLED “LOADING ZONE REGULATIONS” AT
§439-18(A)**

BE IT ORDAINED, by the Municipal Council of the City of Clifton, that:

1. Chapter 439 of the Code of the City of Clifton, as titled above, is hereby amended, revised and supplemented revise §439-18 to create a new section entitled “Loading Zone Regulations” at §439-18(a), which shall read as follows. Additions shall be marked with an underline.

Article III. Special Purpose Parking Zones

§ 439-18(a) Loading zone regulations

The purpose and intent of this article is to establish consistent, transparent and objective standards for the creation, modification, renewal and removal of public curbside loading zones. The City intends to accommodate legitimate commercial loading activity while preserving public curb space, minimizing double parking and traffic obstruction, protecting pedestrians and other roadway users, and avoiding unnecessary dedication of public parking spaces to individual private businesses.

§ 439-18(b) Definitions

Applicant: The owner, tenant, operator, or authorized representative of a commercial establishment requesting a loading-zone designation.

Commercial delivery: The pickup or delivery of goods or materials by a vehicle in connection with a commercial activity, excluding ordinary customer parking.

Loading zone: A designated portion of public curb space in which stopping or standing is restricted during specified days and hours for the loading or unloading of goods and materials.

Large commercial vehicle: A box truck, straight truck, tractor-trailer, or other commercial vehicle exceeding 20 feet in overall length, or a vehicle requiring unusual curbside maneuvering.

Peak loading period: The recurring period during which the greatest concentration of documented commercial loading activity occurs.

Shared loading zone: A loading zone reasonably available to and capable of serving two or more businesses or uses.

Usable off-street loading: A private loading area that is legally accessible, reasonably functional for the applicant’s ordinary delivery vehicles, and not merely unusable because of physical or operational constraints.

§ 439-18(c) Applicability

This article governs applications for new public curbside loading zones and requests to extend, reduce, relocate, renew or otherwise modify an existing loading zone. Existing zones shall remain in effect unless modified by ordinance.

§ 439-18(d) Application for loading zone.

An applicant shall submit the City’s Loading Zone Application together with the required supporting documentation. The application shall include, to the extent possible, the following:

(1) business name, address, owner/operator and contact information;

- (2) site plan or photograph identifying the requested curb area, entrances, driveways, intersections and nearby loading/parking areas;
- (3) delivery frequency by day of week;
- (4) typical and maximum delivery times;
- (5) average and maximum loading duration;
- (6) vehicle types, approximate dimensions and whether liftgates, pallet jacks or other equipment are used;
- (7) quantity/volume or other description of goods when relevant to loading requirements;
- (8) availability and limitations of off-street loading facilities;
- (9) documented double-parking, traffic obstruction, pedestrian conflict or other safety conditions;
- (10) delivery records, invoices, bills of lading, carrier schedules or other reasonably reliable evidence when requested by the City;
- (11) identification of nearby businesses that could share the proposed loading area; and
- (12) a signed certification that the information submitted is accurate to the applicant's knowledge.

§ 439-18(e) Minimum eligibility

A dedicated loading zone shall ordinarily require at least two of the following conditions, subject to the safety exception set forth below:

- (1) three or more commercial deliveries per week;
- (2) average delivery/loading duration of at least 20 minutes;
- (3) at least one weekly delivery by a large commercial vehicle;
- (4) two or more documented delivery-related double-parking events per month;
- (5) two or more documented delivery-related traffic-obstruction events per month;
- (6) no reasonably usable off-street loading facility; or
- (7) regular delivery of heavy, bulky, palletized or otherwise difficult-to-handle goods requiring close curb access.

A shared loading zone may be approved where the combined demand of two or more nearby businesses establishes the need, even if an individual applicant would not independently satisfy every criterion.

Safety exception. The City may approve a loading zone notwithstanding the minimum eligibility test when documented roadway, pedestrian or traffic-safety conditions make curbside loading without a designated area materially hazardous or disruptive.

§ 439-18(f) Determination of authorized days

Days shall be based on demonstrated delivery activity rather than the business's general operating schedule. A day shall ordinarily qualify when the applicant demonstrates an average of at least one commercial delivery every two weeks on that day over the preceding 60 to 90 days, or when a less frequent delivery on that day involves a large commercial vehicle or presents a documented safety/traffic problem. The City may designate fewer days than requested.

§ 439-18(g) Determination of authorized hours

Authorized hours shall be limited to the minimum recurring period reasonably necessary to accommodate documented loading demand. The Police Department shall identify the peak loading period using delivery records and, where appropriate, field observations. The designated period should ordinarily encompass the period in which at least 80% of documented deliveries begin, together with a reasonable loading buffer. The City may use a shorter period when demand is concentrated and a longer period only when evidence demonstrates that a shorter period would not reasonably accommodate deliveries.

The loading-zone hours shall not be based solely on the business's opening or closing hours, customer traffic, or requested convenience.

§ 439-18(h) Maximum duration and vehicle occupancy

Unless otherwise authorized by ordinance, a vehicle using a loading zone shall be actively engaged in loading or unloading and shall not occupy the zone for more than 60 minutes. The City may establish a shorter limit where delivery records demonstrate that ordinary loading can be completed more quickly. The City may establish a longer limit for documented large-vehicle or unusually complex deliveries when necessary.

The City may elect to use a 20-minute maximum for locations where rapid turnover is necessary. Any location-specific limit shall be displayed on the regulatory sign.

§ 439-18(i) Shared loading zones and curb efficiency

Where practicable, the City shall prefer a shared loading zone over separate zones for adjacent or nearby businesses. The City may establish a loading zone serving multiple addresses, provided the location is reasonably accessible to the businesses and does not create an unreasonable walking or handling burden for ordinary deliveries.

§ 439-18(j) Off-street loading

The existence of reasonably usable private loading facilities shall weigh against the creation or continuation of a dedicated public loading zone. A private facility shall not be treated as reasonably usable when physical dimensions, access restrictions, legal restrictions, grade, maneuvering limitations, or ordinary delivery-vehicle characteristics make it impractical for the applicant's documented deliveries.

Nothing in this article supersedes applicable off-street parking/loading requirements in Chapter 461 or other zoning requirements.

§ 439-18(k) Safety and location standards

A proposed loading zone shall be evaluated for proximity to intersections, crosswalks, transit stops, driveways, fire hydrants, bicycle facilities, sight-distance constraints, travel lanes, pedestrian facilities and other roadway features. A loading zone shall not be approved where it would materially interfere with the normal flow of traffic or create an unreasonable safety hazard. The City may require a traffic/engineering review for locations involving unusual roadway geometry, large commercial vehicles or documented conflicts.

§ 439-18(l) Field observation and verification

The City may verify an application through site inspection, delivery observation, traffic counts, parking-occupancy observations, review of public records or other reliable evidence. The City may require a 30-day delivery log and may extend the observation period when seasonal or irregular delivery patterns make a shorter period unreliable.

§ 439-18(m) Decision and written findings

The City shall issue a written determination stating the requested location, approved location, principal evidence relied upon, authorized days, authorized hours, maximum occupancy period, and any other conditions. A denial or material reduction shall state the principal reasons.

§ 439-18(n) Review, renewal and modification

Each newly established loading zone shall be subject to review at least every three years, or sooner upon substantial change in use, delivery practices, roadway conditions, repeated misuse, or a documented complaint warranting review. At review, the City may renew, reduce, expand, relocate, convert to shared use, or remove the zone.

A loading zone may be removed when the applicant no longer demonstrates eligibility or when public safety, traffic operations, curb demand or other public-interest considerations no longer support the restriction.

§ 439-18(o) Forfeiture and removal of signage

If the City determines, after reasonable notice and opportunity to respond, that the applicant no longer satisfies the applicable eligibility criteria, has materially misrepresented delivery activity, or has failed to comply with conditions, the City may terminate the loading-zone designation and direct removal of the associated signage. Upon removal, the curb space shall return to ordinary public use unless another lawful restriction applies.

§ 439-18(p) Signage, striping and costs

All signs and pavement markings shall conform to the current Manual on Uniform Traffic Control Devices and Chapter 223, Article VI of the City Code. Costs for striping shall conform to §223-9.

§ 439-18(q) Enforcement

Vehicles occupying a loading zone outside authorized days/hours, or remaining beyond the posted time limit, may be cited or removed as authorized by state law and City ordinance.

§ 439-18(r) Existing loading zones

Existing loading zones shall remain in effect unless specifically amended or repealed. Within a reasonable implementation period established by the City, existing zones may be scheduled for review under this article.

§ 439-18.1 Loading zones.

The following locations are hereby designated as loading zones. No person shall park a vehicle in said location during the times indicated other than for the loading or unloading of goods and materials.

Name of Street	Side Hours/Days	Location
----------------	-----------------	----------

2. The Chief of Police is hereby directed to have proper signs calling attention to the provisions of this ordinance erected or placed along the said street.

3. All ordinances or parts of ordinances inconsistent herewith are hereby repealed as to such inconsistency only.

4. This ordinance shall take effect after final passage and publication as required by law.
